RESEARCH

Taking the Guesswork out of **Data Research**

The most powerful cohort discovery platform specifically developed to handle the nuances of healthcare data and research

Expand your organization's capacity for research, quality improvement, population health, value-based care, and operational efficiency initiatives with code-free, state-of-the-art data analysis.

Purpose-built by clinicians and data science experts to meet the needs of every evolving healthcare organization, Clearsense's Research Tools enable you to easily explore, track, share, collaborate, visualize and export your data with ease.

Enable seamless exploration, preparation, and visualization of your healthcare data with these key features:

- **Easily Scalable**
- **Collaboration**
- **Data Validation & Harmonization**
- **Cohort Discovery**
- **Cohort Tracking & Insights**
- **Visualizations & Reporting**

Democratizing Access To Data:
Put healthcare data, business intelligence, and visualization into the hands of all stakeholders who can make a difference – no matter their technical or IT skill level.

Enabling Clinical Trials:
A seamless and efficient data-driven approach to finding and tracking patients for clinical trials and research.

Accelerating Research:
Rapidly create, explore, and discover cohorts of any level of complexity in real-time. Leverage custom dashboards, visualizations, and reporting for limitless drill-down and data discovery.

Enhancing Operational Efficiency
Leverage purpose-designed reporting apps to assess and improve performance, utilization of services and costs.

Improving Care Quality
Prevent and lower patients' risk by using clinical data and analytics to transform observed care trends and evidence-based practices into population care standards.

Ready to see your data more clearly? Accelerate your research, collaboration, and innovation.

Want a success story of your own? Let's connect.

Clearsense®

GET TO KNOW US

Committed to leading transformation in healthcare, Clearsense® creates a data journey, all the way from number to key insight. Cloud-based, AI-enabled, and HITRUST-certified, the platform of data solutions ensure data governance, implementation, and analytics are rapidly mainstreamed while remaining scalable and secure. Driving faster outcomes in clinical, financial, and operational environments, Clearsense is powering the innovation of tomorrow—right now. Learn more at **Clearsense.com.**

THE CLEARSENSE PROMISE

OUR MISSION

Our mission is to unlock the full potential of healthcare data by delivering flexible solutions that empower data confidence and enable data-driven decision-making to achieve better outcomes.

OUR VISION

We have created a holistic data environment with processes to cleanse, normalize, harmonize, and integrate better data with tools to make it more manageable, accessible, and valuable. We are unlocking the potential of data from patient care decisions, business operations, financial routines, and research.

WHY CHOOSE CLEARSENSE?

One Platform, One Partner
One partner with an advanced end-to-end platform that empowers executives, business owners, clinicians, IT, and data scientists.

Data First Approach
Eliminates assumptions and replaces them with a single source of trusted data. Put trusted data into action without barriers or fear.

Healthcare Focused
We are 100% focused on the healthcare industry, which means we understand your data challenges and opportunities.

Security
Multi-cloud, HITRUST certified, HIPAA and SOC 2 compliant with SSO Integration. Role-based security controls at the application and data levels. We treat security with the highest level of importance.

Data Quality & Trustworthiness
Data governance advisory services wrapped around AI technologies and processes ensure the highest level of data trustworthiness.

Your Data. **Protected.**

HITRUST®   AICPA SOC   HIPAA & HITECH Compliance
